## Grade Rules Updated 8/25/22

### PRACTICES

1. **EACH** player must complete 3 practices before wearing full pads but can wear their helmet, mouth guard, and cleats. There shall be no person-to-person contact drills during these first 5 practices. They must have a total of 10 practices minimum to play in their first game. 2. A team may only practice 2 times a week and only 3 combined games and practice in a week during the season and/or playoffs if applicable. A third practice is allowed during a bye week. Pre-game warm-ups are limited to 45 minutes.

### TEAM REQUIREMENTS & RESTRICTIONS:

- 1. The MYF/JYF/Mack Leagues play with 11 players.** A team needs a minimum of 8 players to start and finish a game. In the event one team is short, the other team is required to field the same number of players to ensure a fair game. A team with less than 8 players at any time may be required to forfeit. In the event a team fields less than 11 players they must still have 7 players on the line of scrimmage.
- 2. The maximum weight of anyone in the offensive backfield/ball carrier is league average plus 10 pounds.** No heavy TEs, including as blockers on running plays. All teams will submit rosters as early as possible to everyone with Name, Jersey Number and Weight. Players over the ball carrier limit should have a sticker or such marking on their helmets to indicate. Pregame, make sure officials and opponents are aware of what method you are using.
- 3. The Defense must play either a 4 or 5-man front.** The DTs and/or DEs must line up head up, to outside the OG. No player may line up opposite the Center or in the Center/Guard gap. Because of this, the Quarterback and Center sneak is NOT allowed. The D-Line must also be in a 3 or 4-point stance.
  - Defensive ends can line up no further out than the outside shoulder of the outside Offensive lineman, including TE or the 3 or 4 back lined up just off line of scrimmage. If defense is in 5 man front and offense goes to a no TE set with no backs near line, the defense needs the the opportunity to remove a lineman to exchange in a LB or DB.
  - The remaining Defensive players can line up in any position but must be at least 5 yards from the LOS. The only exception to the 5-yard rule is for Cornerbacks or Safeties covering Wide or Slot Receivers.
  - The Defense may play an extra man on the line during “Goal Line” and “4th and Short” situations. (Goal Line is defined as the 10-yard line and in and 4th and Short being 1 yard or less) The same alignment rule still applies. (Head up to outside the OG)
- 6. Except for the Center - QBs and RBs can only handle the ball during one half** of the game except for special teams. If a team has the ball for a limited time in the 1st half, they can discuss

with the Referee and other coaches about having those players handle the ball for ONE additional series in the 2nd half. This rule will allow other kids to learn some of the skilled positions and help them develop as football players.

**7. Every player must start on either Offense or Defense and play a minimum of 50% of each half.** The only exception will be for disciplinary, health reasons, or if a roster is over 22 players. **22 unique players must start** and additional players rotate in for significant playing time. Rosters under 22 must have every player start and rotate so no player plays the entire game. 2 platoon system of having the squad split for a first half O and first half D, then swapping, is expected for teams of 22 or more. Substitutions for injury/rest are allowed, but everyone should get close to even playing time.

## **LEAGUE RULES & DEFINITIONS:**

1. **BLITZING** – NO BLITZING! Defensive Linemen are the only ones who can cross the line of scrimmage at the snap. All other Defensive players must wait until the ball is handed off or the QB is outside the Tackles. If QB has committed to a Run, the rest of the Defense can go.
2. **BLOCKING** – There is no blocking below the waist. No Crack Back blocks are allowed.
3. **CADENCE** – Traditional cadence is READY – SET – HUT (HUT) or Down, Set, Go (Go), Down, Set, Hut.  
a. **NO SILENT COUNTS.** No more than two HUTS allowed. The ball can only be snapped on the first or second HUT/GO, not before. No Audibles.
4. **CADENCE INTERFERENCE** – No player or person other than the Offensive team (usually the QB) shall use disconcerting acts or words prior to the snap-in an attempt to interfere with the Offense signals or movements.
5. **CHAINS & DOWN MARKER** – The home team must provide the chain and down marker. (These will be located on either the visitor's side or opposite the players)
6. **COACHES** – **Only USA Football Certified** coach on the field at a time unless absolutely necessary for special circumstances. The second person can only help the individual that requires the special assistance; any action other than that would revert back to one USA Football Certified Coach only.

7. **COIN TOSS – NO DEFERRING!** Visiting team calls the toss and the winner must select offense, defense, or field direction. Before the start of the 2nd half, field direction and possession must change.

8. **DOWN BY CONTACT** – A player is down anytime his knee/shin/elbow touches the ground. A player is not considered down if only his hand touches the ground.

9. **EXTRA POINT** (Point after Try or PAT) – From the 2 ½ yard line.

- 1 pts for a run/pass, 2pts for kick, not live, the ball starts at the line, can be tossed to carried back to the holder. The defense may raise hands and jump, with no forward movement or contact.

10. **FIELD GOALS** – None

11. **GAMES** – Games will consist of (4) Ten minute Quarters played on a regulation-size field. The clock will run unless time out is called, except under 2 minutes left in the 2nd and 4th Quarters. Halftime is typically 5-10 minutes.

12. **HELPING THE RUNNER** – An offensive player shall not push, pull or lift the ball carrier to assist his forward progress.

13. **HUDDLE** – Huddles should be no more than 35 seconds. This time is from the time the ball is ready for play until the snap.

14. **KICKOFFS** – There are no Kickoffs. Teams start from their 35-yard line.

15. **MOTION** – The man in motion must be in a set position for at least one second before he moves and must move parallel or backward from the LOS.

16. **MOUTH GUARDS & CHIN STRAPS** – All mouth guards and chin straps must be in place before the QB starts his cadence. Failure to comply will be considered a Delay of the Game infraction.

17. **MUFF** - A Muff is the touching of a loose ball by a player in an unsuccessful attempt to secure possession.

18. **PUNTS** – No runbacks and no punt coverage. The Center must walk the ball back to the Punter and must return it to its original position before the ball is kicked. The ball is dead when caught/retrieved.

19. **SAFETY** – The team scoring the safety gets the ball at their 35-yard line.

20. **SNAPPING THE BALL** - Centers MAY lift the ball to rotate the laces but may not rotate it end to end. The Center's body may be over the ball but his feet must remain behind the neutral zone and no part of his body, other than his hands on the ball may be beyond the ball.

21. **SPEARING / BUTT BLOCKING** - Not only is it illegal to intentionally use the crown of the helmet to drive into another player to punish him but is extremely dangerous for the player spearing. Repeated infractions are subject to ejection. Butt Blocking is similar to Spearing except that instead of using the crown of the helmet the player intentionally uses the frontal area or face mask as the primary point of contact.

22. **TACKLING** - No player may tackle another player by the face mask or any part of the helmet or around the neck or by the back of the jersey neck or shoulder pads. (Horse Collar) Additionally, no player may take any part of his body to intentionally hit another player high enough to cause that player to be “clotheslined.”

23. **TIMEOUTS** - 3 per half.

24. **TURNOVERS - A FUMBLE** between the Center and QB is considered a dead ball and the Offense retains possession at the same spot as before, but a loss of down and NO re-Huddling. With a running clock, this is to keep the game moving. A team may call a timeout if they have

one available to Huddle again. If a ball exchange fumble happens twice without a successful play in a row, re-Huddling is allowed, if another down is available. If it happens on 4th down, turnover as usual at the original spot. This includes Shotgun snaps that never reach the QB or are dropped. All other FUMBLES are live and considered dead at the spot of the recovery. An INTERCEPTION is live and may be returned.

**25. WEATHER-** If a game makes it to half-time and is called because of weather it is considered complete.

## **INJURIES:**

1. Players must sit out at least two plays following an injury.
2. If a player loses consciousness, he will not be allowed to participate any further in that game.
3. If a player requires a doctor's visit he must get a note from the doctor before returning to the team.
4. If a player appears to have sustained a head, neck, or back injury, DO NOT attempt to take off their helmet...and DO NOT attempt to move the player until the situation can be assessed.

## **SPORTSMANSHIP:**

1. Sportsmanship is one of the primary reasons for this program. If a player is penalized for unsportsmanlike conduct, or unnecessary roughness twice in 1 game, that player is subject to immediate ejection for the remainder of the game AND from the following game.

Additionally, Parents and Spectators are subject to removal from the park and/or having an unsportsmanlike penalty assessed against their team for inappropriate behavior.

➤ Examples would be the use of profanity, taunting, trash-talking, harassment, or arguing with the Referees, Players, or other Parents / Spectators. Additionally, excessive celebration by a player(s) (such as spiking the ball) will be considered unsportsmanlike.

2. Any Player, Coach, Parent, or Spectator striking any person, or intentionally contacting an official, will be immediately ejected and/or removed from the park. If, at a future contest, after returning from an ejection or removal, the unsportsmanlike or inappropriate behavior continues, the offender is subject to banishment from the league/park for the remainder of the season.
